

OVERCOMING  
RELIGIOUS  
ILLITERACY

A Cultural Studies Approach  
to the Study of Religion in  
Secondary Education

DIANE L. MOORE

In *Overcoming Religious Illiteracy*, Diane L. Moore argues that though the United States is one of the most religiously diverse nations in the world, the vast majority of citizens are woefully ignorant about religion itself and the basic tenets of the world's major religious traditions. The consequences of this religious illiteracy are profound and include fueling the culture wars, curtailing historical understanding and promoting religious and racial bigotry. In this volume, Moore combines theory with practice to articulate how to incorporate the study of religion into schools in ways that will invigorate classrooms and enhance democratic discourse in the public sphere.

"A vitally important contribution."

—ROBERT JACKSON, DLitt Director, Warwick Religions and Education Research Unit, Institute of Education, University of Warwick and Editor of the *British Journal of Religious Education*

"This book is a must-read for teachers, school administrators, parents, and every citizen concerned with the quality of American education."

—DIANA L. ECK, Professor of Comparative Religion and Indian Studies and Director of The Pluralism Project, Harvard University

"This is a remarkable and innovative book that should be widely read by Americans and Europeans alike."

—WOLFRAM WEISSE, Professor of Religious Education, University of Hamburg and Director of the Centre for World Religions in Dialogue

"Moore not only persuades us about *why* we ought to teach about religion in our public schools, but she also tells us *how* to do it—practically, sensitively, and effectively."

—JAMES W. FRASER, Professor, Steinhardt School of Culture, Education, and Human Development, New York University

"This important book will be of interest to educators and any citizen concerned about our country's religious illiteracy."

—MARYA R. LEVENSON, Professor of the Practice in Education and the Harry S. Levitan Director of the Education Program, Brandeis University
